**Subject:** Fwd: November 6th Conference Call

Good morning,

I am out of the office today, but want the Team to move forward with the conference call at 2:00 pm. Taimur, please send out a conference call number to LOOP and also ask David Gillespie to participate.

Please see the email that I sent to Joyce Matthews this morning.

I know that Taimur and Silvia received several emails on Friday which transmitted many reports. Since we received these late on Friday, I know that everyone has not had a chance to review. I tried to forward to Richard and Kay, but the email bounced back. Taimur and Silvia can forward the emails.

I recommend that you try to provide as much feedback as possible regarding the reports that we just received including any follow up questions.

Since we have the Program Managers meeting this week with our States, I will meet with the Team on Thursday evening or early next week.

Thank you,

Stacey

Good morning Joyce. Richard Wooster and Taimur Shaikh will be conducting the conference call today at 2:00 pm as I am unable to participate due to unscheduled travel that I am currently on today.

I did receive your emails on Friday evening that transmitted several reports. I have not had a chance to review, but will get with my staff when I return.

Taimur will send out the conference call information this morning.

Thank you for working to get us as much information as possible. I will contact you by Thursday evening to follow up if you have any questions.
